

BALE MAKER™

MAXIMIZES NUTRIENT CONTENT

TREATS UP TO 50 TONS (APPROX. 2,000 50 LB. BALES)

ALLOWS YOU TO BALE AT HIGHER MOISTURE LEVELS

INCREASES LEAF RETENTION

Net Weight: 9.3 lb. (4.2 kg) • Net Contents: 1 Gallon (3.78 L)

HAY AND SILAGE TREATMENT

BALE MAKER™ • SHAKE WELL BEFORE USE

Bale Maker™ Is a fermented liquid hay and silage treatment derived by culturing a proprietary strain of *Lactobacillus* in a nutrient medium.

DIRECTIONS FOR USE ON HAY

Apply 2.5 ounces of Bale Maker™ per ton of hay (16% - 22% moisture). One gallon of Bale Maker™ treats up to 50 tons of hay. Apply uniformly by mixing Bale Maker™ with water and spray on hay when swathing (cutting) or baling. Typical application of mixture is one (1) quart per ton of cut hay. Table 1 provides mixing directions for an application rate of one (1) quart per ton of hay. Baling moistures will vary with bale size and type of hay baled; see Table 2. If hay must be baled when moisture is above 22%, use 5 ounces of Bale Maker™ per ton of hay.

TABLE 1: MIXING INSTRUCTIONS FOR HAY

Hay Treated (Tons)	50	100	150	200	250
Bale Maker™ (Gallons)	1.0	2.0	3.0	4.0	5.0
Water (Gallons)	11.5	23.0	34.5	46.0	57.0
TOTAL (Gallons)	12.5	25.0	37.5	50.0	62.5

TABLE 2: MOISTURE RECOMMENDATIONS

Bale Type	Legume Hay	Grass Hay
Small Square	22%	21%
Round	20%	18%
Ton Square	18%	16%

DIRECTIONS FOR USE ON HAYLAGE OR SILAGE

Apply 1.3 ounces of Bale Maker™ per ton of silage. One gallon of Bale Maker™ treats one ton of silage. Apply uniformly by mixing Bale Maker™ with water and apply at chopper, at the silo or at the silage pile. Typical application rate of mixture is 1 quart per ton of silage. Table 3 provides mixing directions for an application rate of one (1) quart per ton of silage.

TABLE 3: MIXING INSTRUCTIONS FOR SILAGE

Silage Treated (Tons)	100	500	1,000	2,000	5,000
Bale Maker™ (Gallons)	1.0	5.0	10.0	20.0	50.0
Water (Gallons)	24.0	120.0	240.0	480.0	1,200.0
TOTAL (Gallons)	25.0	125.0	250.0	500.0	1,250.0

CAUTION: FOR FORAGE USE ONLY • KEEP CONTAINER CLOSED TIGHTLY

WARNING: This product may be irritating to the eyes. In case of eye contact, immediately flush eyes with water for at least 15 minutes. Do not use Bale Maker™ for purposes other than those described on this package or at any but the recommended levels.
